The "Marie Sklodowska Curie Actions - Postdoctoral Fellowships" (MSCA-PF) programme is an attractive funding opportunity for early career researchers. It is an open, flexible funding program that is open to all disciplines.

The deadline for application is 13.09.2023. Additionally, it's suitable for sending postdoctoral researchers to conduct high-level research and training at leading institutions. This enables them to advance their career by acquiring key skills. It is open to researchers worldwide and offers generous funding to support individual postdoctoral researchers with their projects.

The application deadline for the last round of funding is: April 12, 2023 as part of "Horizon Europe". The goal of this initiative is to support researchers at all stages of their career.

For more information, visit the MSCA-PF webpage or contact info@h-w-s.org by 28 July 2023.

The application process is expected to be completed by the end of the year.

**Upcoming Events**

**HRA City Walks - Wandsbek**

Hamburg's Wandsbek district is a cultural and historical hub, offering a unique blend of modernity and tradition. Join us on this city walk to explore the heart of the Wandsbek district, where history meets architecture and urban development.

**12 September 2023, 5:00 p.m. - 7:00 p.m.**

**HRA City Walks - Harburger Schlossinsel**

Discover Hamburg's Harburger Schlossinsel, a former royal hunting ground turned into a modern quarter with a rich history. This guided tour will take you through the Schlossinsel's most notable sites, including the Harburg Castle and its surrounding gardens.

**22. September 2023, 9:00 a.m. - 12:00 p.m., online**

**Workshop: How to apply successfully**

This workshop aims to provide insights into the application process for the Horizon Europe MSCA-PF programme. Participants will learn about common pitfalls and strategies to increase their chances of success.

**12. October 2023, from 6:00 p.m.**

**Three Minute Thesis (3MT) Competition 2023**

This annual competition challenges researchers to present their work in 3 minutes or less. It's an excellent opportunity to practice your communication skills and engage with an audience. The competition is open to all doctoral students and postdocs.

**12. November 2023, Gorch-Fock-Wall 7, room C.1067**

**MIN Graduate Center Networking Events**

The MIN Graduate Center Networking Events are designed to foster connections among postdoctoral researchers and industry representatives. These events offer a platform for discussions on career development, industry trends, and potential collaboration opportunities.

**News**

**HRA City Walks - Wandsbek**

From the story of an independent city and its inhabitants, to the history of the demolished Wandsbek castle and monuments for Matthias Claudius telling the story of Wandsbek market, the Jewish cemetery, the Schimmelmann mausoleum, relics of Hamburg's past, we explore the Wandsbek district.

**HRA City Walks - Harburger Schlossinsel**

On this city tour we will explore Hamburg's "second Hafencity": the Harburger Schlossinsel. We will discover the island's unique blend of culture, history, and modern architecture, making it a must-visit destination for anyone interested in Hamburg's past and present.

**Career Development @ Universität Hamburg**

Studying and working in Hamburg can be a rewarding experience, but it can also be challenging. The Career Development @ Universität Hamburg initiative offers a range of events and workshops to support students and researchers with their career development.
